## CHEAPER GAS FOR BARRE

The Gas Company started out to furnish gas to its customers for all domestic purposes at a price of \$1.50 per one thousand cubic feet, with a discount of each per one thousand feet on all bills that are paid by the 10th of each posterior

count of 25 cents per one thousand feet on all bills that are paid by the 10th of each month for gas consumed the previous month.

The Company adopted the policy from its start to reduce the price of gas as the increase of its business would permit, and in accordance with this policy, and of the generous support given by the citizens, we wish to announce that on and after June 1st, 1905, and until further notice, the price of gas to the ordinary consumer will be reduced 10 cents per one thousand feet, making the net price \$1.15 per one thousand feet if the bills are paid by the 10th of each month for all gas consumed the previous month, and for those consuming gas in large quantities the following graduated scale has been adopted, and the discounts are made from the established price of \$1.50 per one thousand cubic feet:

Any amt. up to and includ'g 3000 cub. ft. per month, disc't 35c, net price \$1.15 Over 3000 up to and includ'g 5000 cub. ft. per month, disc't 40c, net price 1.10 Over 5000 up to and includ'g 10000 cub. ft. per month, disc't 45c, net price, 1.05 Over 10000 up to and includ'g 20000 cub. ft. per month, disc't 50c, net price, 1.00 Over 20000 up to and includ'g 30000 cub. ft. per month, disc't 55c, net price, 295 Over 30000 up to and includ'g 50000 cub. ft. per month, disc't 65c, net price, .85

And the Company wish further to announce that after June 1st, 1905, all gas bills that are not paid by the 10th of the month for all gas used during the previous month will be collected at the established price of \$1.50 per one thou-

There is no city anywhere the size of Barre, and but very few larger cities in New England, that sell gas at so low a rate.

### Wilmington to Have New Industry.

The amount of \$10,000 has been pledged in stock subscriptions to assist the W. A. Choate Manufacturing Co. of Albany, N. Y., to erect a plant in Wil-mington for the manufacture of school furniture. It is expected that the company will be organized at once and build-ings creeted so that work can be begun this fall. W. A. Choate has been in this business at Albany for twenty-five years or more. In view of the fact that there is no factory for making school furniture east of Ruffalo, it is antici-pated that the project will prove success-ful. Having lost their only manufacturing establishment in the fire of last August, the people of Wilmington feel a great interest in the undertaking.
